ENGINEERING

HIGH-ACTION ADVENTURES

Where Resorts and Parks go from ordinary to EXTREME.

ABOUT US

Founded in 1995 by Jeff Wilson, Extreme Engineering is the largest supplier in adventure equipment to the resort and entertainment industries, and is the leader in extreme, interactive fun. With over 5,000 customers worldwide including Disney, NASA, Marriott, Holiday Inn Vacation Club, Vail, Cirque du Soleil, Six Flags, Westgate, One & Only Resorts and Atlantis, Extreme Engineering advocates industry growth and development through adventure. Extreme Engineering is highly recognized by industry leaders, holding eight awards in technology and Best New Product categories for the entertainment market. Extreme Engineering's goal is to provide "stay-to-play" solutions to keep guests engaged and entertained through safe thrills and memories that last a lifetime.

Our "fun-amenities" enhance theme parks and resorts, resonating with pure-play excitement! We stay true to our motto, "We create memories through excitement."

High Action Adventure™

Our exclusive adventure solution, High-Action Adventure™, incorporates all of Extreme Engineering's award winning attractions into one place. Guests are transformed into thrill-seekers through zip lining, air jumping, conquering challenge courses, rock climbing and more. The High-Action Adventure™ can be scaled, portable or stationary and custom themed to fit into any environment. These amenities are engineered to exceed industry standards, provide safety with no risk, require minimal staffing and are fun for all ages. We make "fun your business" and ensure that your guests experience, live and breathe adventure.

WE ARE YOUR ADVENTURE ENTHUSIASTS

8-Time Award Winner At IAAPA

SAFE FUN

Engineering geeks. Marketing sleek. Business brilliance. All in one savvy company.

CLIMBING WALL

Are you ready to rock?

Get ready to turn the volume up to eleven with Extreme Engineering's large assortment of rock climbing walls. Our company was built on a foundation of rock solid climbing walls specifically designed to provide our consumers with a profitable, safe and thrilling experience. We offer three different types of installations to rock your world, if you can handle it.

FLY WIRE™ ZIPLINE

Winner of Best Major Theme Park Ride.

Feel the rush of freedom while you soar to new heights! Thrill-seekers of all ages will be lining up to experience an up to 21MPH rush on the industry's safest zip line available. The Fly Wire™ is an infinitely adjustable system and uses the safest stopping device on the market, the Decelinator™, which keeps riders safely off the ground at all times.

EXTREME AIR™

Soar above others.

Want to know what it feels like to fly? Welcome aboard the Extreme Air™ with nonstop service up to 25 feet in the sky. Stretch out your arms and legs, smell the air, touch the sky and see for yourself why the amazing honor of "Best New Product" two years running was bestowed upon this powerhouse in the jumping industry. Our patented fiberglass pole technology and wireless control make this product easy to operate.

ROPE QUEST™

The ultimate journey.

Take on the ultimate challenge of the Rope Quest™, an interactive rope-course structure that allows children and heroes to explore, crawl, climb and slide in absolute safety. Overcome six levels in the twisted net system, compete with your friends, conquer challenges and for your grand finale, launch down a 30 foot inflatable slide!

HIGH-ACTION ADVENTURES™

THE ANATOMY OF ADRENALINE

Leave the 9-5 behind...you're on an adventure.

The High-Action Adventure™ can generate serious revenue as an additional attraction or added value piece.

The High-Action Adventure™ empowers your team to offer more on-site activities to your guests. This is a perfect sales solution to enhance the stay-to-play experience.

This solution is designed to attract new, youthful attendees.

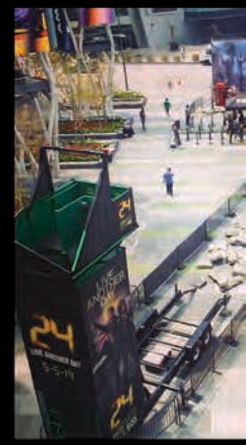
The High-Action Adventure™ incorporates popular attractions all in one place.

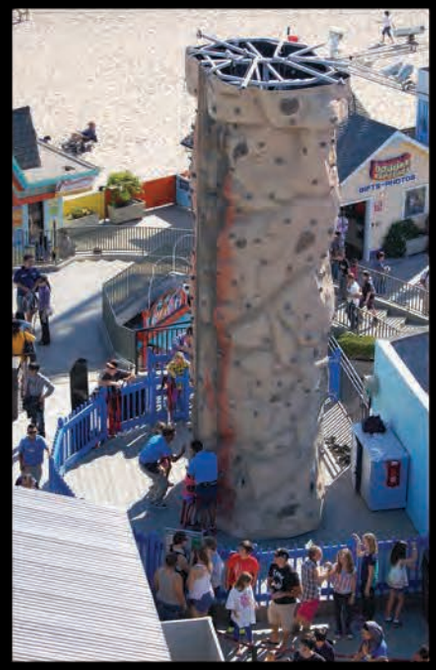
Guests do not have to leave your property for excitement and entertainment!

All of our award winning products are engineered to offer the very best in quality and safety. Every product we manufacture meets and/or exceeds industry standards. If you want innovation at its best, then look no further.

IT'S FUN FOR ALL AGES!

WHERE WILL YOUR ADVENTURE TAKE YOU?





You get them to check-in, we get them to check you out...

Designed to attract new, youthful, millennial attendees, the High-Action Adventure™ can generate serious revenue as an additional attraction or added value piece to your already stellar amenities.

From start to finish, we help you design a unique, fun experience to provide your guests. Our stay-to-play concepts allow your creativity to shine.

Our award winning design team carefully focuses on interactive attractions that are popular in today's market. We ensure that all of our adventure products are created for the next generation of thrill-seekers.

The High-Action Adventure™ is scalable, can be themed and is designed to attract new, youthful buyers.

Our process is simple. Here is how it works:

1. You provide us with your available space.
2. We present you with layouts, options and illustrations.
3. We assist you in the correct product mix.
4. You give us your theming desires, we create the reality.
5. We install your equipment, train your staff, and help with any promotions necessary.
6. Your guests start having fun, you start making money.

THEMING AND DESIGN

Fly like Tarzan, be a swashbuckling pirate or go on a safari adventure...

Let's Co-Create! We provide the vision, you provide the experience. Our in-house theming experts provide world-class solutions to fit into any environment. From rendering to reality, allow your creativity to shine while creating the adventure of your dreams. From start to finish, we help you design a unique, fun experience to provide your guests a vacation to remember.

POTENTIAL PROFIT

Let's generate some serious cash flow.

Product	Capacity Per Hour	Price Per Attraction
High-Action Adventure™	Up to 300 riders	**$20 - $30**
